

# *Of peace and the most famous refugees*

Family is holy for us, so is peace, we find as family in family. Therefore we decided to tribute to the family that tried to bring this very peace to earth. Maybe especially because in recent time it seems they could use more support.

We link this homage to all our best wishes for you - and peace in 2016...

We is:

Etienne and Alexandra  
with Lilou and Lea

Julian and Raquel  
with Leon, Noemi and Marlon

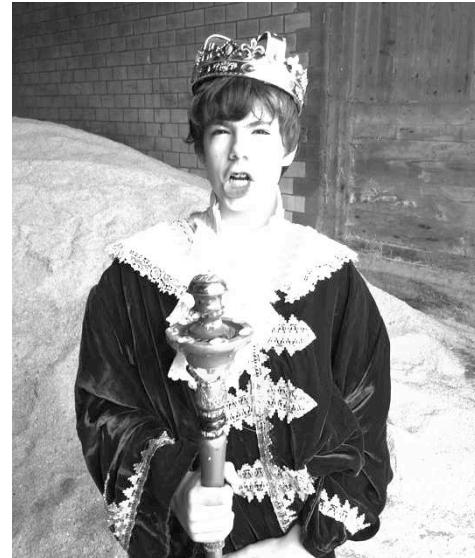

Olivier and Vittoria

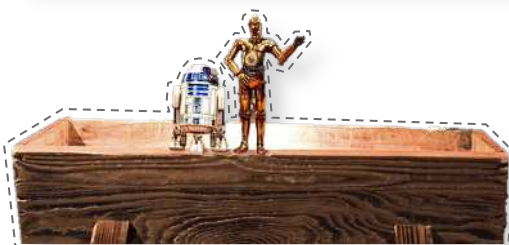

Together we're the Michels..

The pictures were shot by our close friend Markus Mallaun with his wife Serpil on November 15<sup>th</sup> in Rifferswil.

You can find his other (more serious) creations under [www.mallaun.ch](http://www.mallaun.ch)

Damit die Krippe am 24. nicht leer bleibt, gibt es als Beiblatt die klassische, zu interpretierende und die selbst zu füllende Version zum Ausschneiden dazu.
