

Even though many things were different in 2020, and we could only meet virtually for the annual family photo, we would like to remind you of the old insight:

True friends are like stars - you do not always see them, but they are always there.

In this spirit: Happy holidays and all the best for the future!

Olivier and Vittoria Michel

Kirchenfeld 65
8052 Zürich

Julian and Raquel with
Marlon, Noemi and Leon Michel
